

AMORE

Technical Specifications

Weight	795 G
Width	140 cm
Pilling	3-4
Abrasion/martindale	70 000
Colour Fastness to Artificial Light	5
Colour Fastness to Rubbing	4-5 DRY 4-5 WET
Tensile Strength	1700 N Warp 560 N Weft
Tear Growth Resistance	160 N Warp 90 N Weft
Snagging Test	5
Seam Slippage Resistance	1.0 MM Warp 2.0 MM Weft
Composition	100% Polyester

Clean and Care

- Frequent wash may affect the performance of the product.
- Any stain, spills or soiling should be cleaned up promptly with a neutral soap solution using a cloth in smooth circular movements.
- We do not accept responsibility for any damage resulting from inappropriate use, chemical cleaning or additional impregnation.

The analytical results are referred only to the sample tested. Discoloration and colour deviations tolerated by permissible industrial standards do not constitute reasons for claims. Colour migration may occur. Pilling is a natural phenomenon that occurs due to daily use and frequent washing and cannot be avoided. We reserve the right to modify, at any moment and without notice, any product specifications.
